AMANDACDULANEY@GMAIL.COM
(770) 891-6971

I am an early career software engineer leveraging a background in academia and clinical psychology. I am currently enrolled in Georgia Tech's Full Stack Web Development bootcamp and have graduate degrees in Clinical Psychology (USC) and Religion (UGA). My professional experiences in psychotherapy, mental health quality assurance, and healthcare management have demonstrated the need for innovative assistive technologies in the health sector. I am seeking to knit my interests in healthcare and technology together to help create improved healthcare experiences for all.

TECHNICAL SKILLS

HTML5	JavaScript ES6+
CSS3	jQuery
Bootstrap	Node.JS
GitHub	
Third-party, Server-side, & Web APIs
